Board of Directors Member

Reko International Group Inc., a technology driven manufacturer (TSX V- REKO) is seeking additional members for its diverse Board of Directors. Ideal candidates will represent the interest of all shareholders while also supporting the management team in its mission to serve manufacturers and producers who put their trust in Reko to help them be more successful.

In addition to sharing our core values of respect, customer-focus, innovation, flexibility, teamwork, honesty, and dedication, we are looking for the following characteristics:

- Experience working and/or managing in a manufacturing or production environment
- A founder who has successfully grown and sold one or more businesses
- A strategic thinker with an engineering or accounting background and/or designation
- A strong communicator who has connection to C-level executives in large manufacturers or producers
- Experience with business acquisitions, either in a mergers and acquisitions role or responsible for elements of integration as part of an acquiring management team

If you have two or more of the characteristics above, have a desire to assist with improving shareholder value, could contribute wisdom as part of a diverse board and can commit to four meeting days per year plus the occasional conference call, please submit your curriculum vitae or resume to careers@rekointl.com by September 30, 2021.
