

Material Handler (Steady Afternoons)

Job Summary

To ensure all incoming and outgoing goods are organized, stocked throughout the plant, and inventory is tracked.

Responsibilities

- Match incoming material to packing slip, to purchase order and advise Office Manager of any receiving discrepancies
- Organize and distribute incoming material to appropriate personnel
- Communicate delivery/quality issues to the Supervisor or Quality Manager
- Track and maintain appropriate levels of shop supplies, forwarding electronic requisitions to Purchasing for follow up and procurement to restock
- Ability to load and unload material on and off trucks
- Prepare subcontract goods for shipping to suppliers
- Organize job leftovers, coordinate with purchasing and project management to determine disposition (distribution) of goods
- Work in a safe and organized manner, as outlined in the Health and Safety Program, including safe material handling practices
- Perform all other duties as assigned

Knowledge and Skills

- Grade 12 O.S.S.D. or equivalent
- Proficient oral and written skills and understanding of basic computer skills
- Ability to establish interpersonal, cross-functional, and supplier base relationships
- Organizational skills and ability to stay focused in a fast-paced environment
- Working knowledge and background in material handling
- Knowledge on how to utilize basic hand tools
- Ability to lift at a minimum of 40 pounds
- Must be willing and able to achieve certification on lift truck and overhead crane

Requirements

- Minimum of two years of industrial experience in shipping and receiving
- Knowing how to operate a lift truck and overhead crane is an asset
- Ability to work steady afternoons
