REKO INTERNATIONAL GROUP INC. MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

THIS INFORMATION CIRCULAR (THIS “CIRCULAR”) IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY THE MANAGEMENT OF REKO INTERNATIONAL GROUP INC. (THE “COMPANY” OR “REKO”) FOR USE AT THE ANNUAL GENERAL MEETING OF SHAREHOLDERS OF THE COMPANY TO BE HELD AT REKO INTERNATIONAL GROUP INC., 469 SILVER CREEK INDUSTRIAL DRIVE IN LAKESHORE ON DECEMBER 7, 2023 AT 2:00 P.M. EST AND ANY ADJOURNMENT THEREOF (THE “MEETING”). THE SOLICITATION WILL BE VIA MAIL BY MANAGEMENT OF THE COMPANY AND ITS COST WILL BE BORNE BY THE COMPANY.

The information contained herein is given as of October 12, 2023 unless otherwise noted.

This Circular describes the matters to be acted on at the Meeting and the procedures for attending or appointing proxies to vote at the Meeting.

The repeated integration of new technology has built up our strength and endurance.

NOTICE AND ACCESS

Provisions under National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations* provide issuers with the option of using “Notice and Access” to deliver meeting materials, including this Circular, electronically by providing shareholders with a notice (the “**Notice**”) of their availability and access to such materials online. Together with the Notice, shareholders will receive a form of proxy (in the case of registered shareholders) or voting instruction form (in the case of non-registered shareholders), enabling them to vote at the Meeting (collectively, the “**Printed Materials**”).

The Company adopted Notice and Access because it allows for the reduction of printed paper materials, reduced costs associated with shareholder meetings and provides information to shareholders on a timelier basis. Instead of mailing meeting materials to shareholders, the Company posted this Circular on its website, www.rekointl.com/disclosure, under the “Investors” tab, in addition to SEDAR+ at www.sedarplus.ca. The Company sent the Notice and a form of proxy to all shareholders informing them that this Circular is available on-line and explaining how this Circular may be accessed. The Company set the Record Date (as hereinafter defined) at least 40 days before the Meeting and filed a form of notification of the Record Date and the Meeting date on SEDAR+ at least 25 days before the Record Date.

For the Meeting, the Company is using Notice and Access for both registered and non-registered shareholders. Neither registered nor non-registered shareholders will receive a paper copy of this Circular unless they contact the Company after it is posted, in which case the Company will mail this Circular within three business days of any request provided the request is made **PRIOR** to the Meeting. The Notice provides an explanation of how to obtain a paper copy of this Circular. The Company must receive your request prior to 5:00 pm (EST) on November 27, 2023 to ensure you will receive paper copies in advance of the deadline to submit your vote.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the mailed form of proxy are directors and/or officers the Company.

As a shareholder of the Company, you have the right to appoint a person or a company of your choice, who need not be a shareholder of the Company, to attend and act on your behalf at the Meeting. If you wish to appoint a person or company other than the persons whose names are printed in the mailed form of proxy, please insert the name and address of your chosen proxyholder in the blank space provided.

You may indicate the manner in which your appointee is to vote or withhold from voting with respect to any specific item by checking the appropriate space on the mailed form of proxy. If you wish to confer discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The common shares in the capital of the Company (the “**Common Shares**”) represented by your proxy will be voted in accordance with your directions.

If you have given a proxy, you may later revoke it by: (a) signing a proxy bearing a later date and depositing it as provided under “Deposit of Proxy”, below; (b) signing and dating a written notice of revocation (in the same manner as the mailed form of proxy is required to be executed, as set out under “Validity of Proxy”, below) and faxing it to the office of TSX Trust Company, Attn: Proxy Department, at (416) 595-9593, or scan and e-mail to proxyvote@tmx.com; or delivering it by mail, to the registered office of the Company, Attn: Corporate Secretary, 469 Silver Creek Industrial Drive, Lakeshore, Ontario, N8N 4W2, or via fax to the registered office of the Company, Attn: Corporate Secretary, at (519) 727-6681, prior to 2:00 p.m. on the second to last business day (namely, a day other than a Saturday, Sunday or statutory holiday) immediately preceding the Meeting or any adjournment thereof, or to the Chair of the Meeting on the day of the Meeting; or (c) in any other manner provided by law. Such revocation will have effect only in respect of those matters upon which a vote has not already been cast pursuant to the authority conferred by the proxy.

PROXY INSTRUCTIONS

REGISTERED SHAREHOLDERS

If you are a registered shareholder, you can vote your Common Shares at the Meeting in person or by proxy. If you wish to vote in person at the Meeting and are certain that you will be able to attend the Meeting, do not complete or return the form of proxy mailed to you with the Printed Materials. Your vote can be cast by you in person and counted at the Meeting. If you do not wish to attend the Meeting or do not wish to vote in person, or you are not certain that you will be able to attend the Meeting, complete and deliver the form of proxy in accordance with the instructions given below.

A proxy in the form of the mailed proxy will confer discretionary authority upon a proxy holder named therein with respect to the matter identified in the mailed Notice, and with respect to amendments and variations thereto and any other matters that may properly be brought before the Meeting, or any adjournment thereof.

Your shares represented by proxy will be voted or withheld from voting in accordance with your instructions. If you have specified with certainty a choice with respect to any matter to be acted upon, your shares will be voted accordingly.

VALIDITY OF PROXY

Your proxy will not be valid unless it is dated and signed by you or by your attorney duly authorized in writing. In the case of a shareholder who is a company, a proxy will not be valid unless it is executed under its seal or by a duly authorized officer or agent of, or attorney for, such corporate shareholder. If an attorney or agent for an individual shareholder or joint shareholders executes a proxy by an officer, attorney, or other authority for a corporate shareholder, the instrument empowering the attorney, officer or agent, as the case may be, or a notarial copy thereof, should accompany the proxy.

DEPOSIT OF PROXY

In order to be valid and effective, proxies must be delivered by mail to TSX Trust Company, Attn: Proxy Dept., P.O. Box 721, Agincourt, Ontario M1S 0A1. Alternatively, proxies may be faxed to (416) 595-9593 or scanned and emailed to proxyvote@tmx.com, no later than 2:00 p.m. EST on December 5, 2023, or delivered to the Chair of the Meeting prior to the commencement of the Meeting.

All non-registered shareholders who receive these materials through a broker or other intermediary should complete and return the materials in accordance with the instructions provided by such broker or other intermediary.

NON- REGISTERED OR BENEFICIAL SHAREHOLDERS

Your Common Shares may not be registered in your name but in the name of an intermediary (which is usually a bank, trust company, securities dealer or stockbroker, or trustee or administrator of self-administered registered savings plans, registered retirement savings funds, registered education savings plans and similar plans, or a clearing agency in which an intermediary participates) or in the name of a nominee. If your Common Shares are listed in an account statement provided to you by a broker, then it is likely that those Common Shares will not be registered in your name but under the broker's name or under the name of an agent of the broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited which acts as the nominee for many Canadian brokerage firms) and, in the United States, under the name of Cede & Co. (the registration name for The Depository Trust Company, which acts as depository for many United States brokerage firms and custodian banks).

If your Common Shares are registered in the name of an intermediary or a nominee, you are a non-registered or beneficial shareholder (a “**beneficial shareholder**”). Beneficial shareholders should be aware that only shareholders whose names appear on the share register of the Company, or the persons they appoint as their proxies, are entitled to vote at the Meeting. The purpose of the procedures described below is to permit non-registered shareholders to direct the voting of the Shares they beneficially own. There are two (2) categories of beneficial shareholders. Beneficial shareholders who have provided instructions to an intermediary that they do not object to the intermediary disclosing ownership information about them are considered to be Non-Objecting Beneficial Owners (“**NOBOs**”). Beneficial shareholders who have objected to an intermediary providing ownership information or have not advised that they do not so object are Objecting Beneficial Owners (“**OBOs**”).

The Printed Materials are being sent to both registered and beneficial shareholders of the Company. If you are a beneficial shareholder and if the Company or its transfer agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding Common Shares on your behalf. Unless you have waived your rights to receive the Meeting Materials, the Company is required to deliver them to you as a beneficial shareholder of the Company and to seek your instructions as to how to vote your Common Shares.

The Company will distribute the Printed Materials either directly to registered shareholders and to the NOBOs or to intermediaries for distribution to NOBOs. The Company will not arrange for distribution of copies of the Printed Materials to OBOs.

VOTING INSTRUCTION FORMS FOR BENEFICIAL SHAREHOLDERS

Brokers or agents can only vote the Common Shares if instructed to do so by the beneficial shareholder.

Every broker or agent has its own mailing procedure and provides its own instructions. Typically, a beneficial shareholder will be given a voting instruction form, which must be completed and signed by the beneficial shareholder in accordance with the instructions provided by the intermediary. The purpose of this form is to seek instructions from the beneficial shareholder on how to vote on behalf of or otherwise represent the beneficial shareholder. A beneficial shareholder cannot use this form to vote or otherwise represent Common Shares in person at the Meeting. If you are a beneficial shareholder, you must follow the instructions provided by the intermediary in order to ensure that your Shares are voted or otherwise represented at the Meeting.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in Canada and in the United States. Broadridge mails a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the same persons as the Company’s form of proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a beneficial shareholder of the Company) other than the persons designated in the voting instruction form to represent you at the Meeting. To exercise this right, you should insert the name of your desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or otherwise, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of the Common Shares to be represented at the Meeting.

Occasionally, a beneficial shareholder may be given a proxy that has already been signed by the intermediary. This form of proxy is restricted to the number of Common Shares owned by the beneficial shareholder but is otherwise not completed. This form of proxy does not need to be signed by you. In this case, you can complete and deliver the form of proxy as described above under the heading “Registered Shareholders”.

If the Company or transfer agent has sent the Printed Materials directly to you, as a beneficial shareholder, the Company (and not the intermediary holding Shares on your behalf) has assumed responsibility for (i) delivering these materials to the beneficial shareholder; and (ii) executing the beneficial shareholder’s proper voting instructions.

If you are a beneficial shareholder who has received the Printed Materials directly from the Company or its transfer agent, please return your voting instructions as specified in the request for voting instructions.

Beneficial shareholders should carefully follow the instructions of their intermediary on the forms they receive, including those regarding when and where the form of proxy or voting instruction form is to be delivered, and contact their intermediaries promptly if they need assistance.

i. Objecting Beneficial Owners – OBOs

If you are an OBO, you cannot use the mechanisms described above for registered shareholders and must follow the instructions provided by the intermediary in order to ensure that your Common Shares are voted or otherwise represented at the Meeting. Please refer to the narrative above for non-registered or beneficial owners.

ii. Non-Objecting Beneficial Owners – NOBOs

If you, as a NOBO, receive the Company’s form of proxy signed by the registered holder, you may complete and deliver the form of proxy as described above under the heading “Registered Shareholders”. If you, as a NOBO, receive the intermediary’s voting instruction form, follow the instructions provided by the intermediary with respect to completing the form in order to ensure that your Common Shares are voted or otherwise represented at the Meeting.

iii. Beneficial Shareholders – Attendance at Meeting

Although as a beneficial shareholder you may not be recognized directly at the Meeting for the purposes of voting the Common Shares registered in the name of your broker or other intermediary, you may attend the Meeting as proxyholder for your broker or other intermediary and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker or other intermediary, you should enter your own name in the blank space on the voting instruction form provided to you and return the same to your broker or other intermediary in accordance with the instructions provided by your broker or intermediary, well in advance of the Meeting. Alternatively, you can request in writing that your broker or other intermediary send you a legal proxy which would enable you, or a person designated by you, to attend the Meeting and vote your Common Shares.

VOTING OF COMMON SHARES BY PROXYHOLDERS

The proxyholders named in the form of proxy shall and will vote the Common Shares represented thereby in accordance with the shareholder's direction set forth in the form of proxy. **In the absence of such direction, the Common Shares represented by the proxy will be voted by management: FOR the election of the directors referred to in this Circular; and, FOR the re-appointment of PricewaterhouseCoopers LLP as the independent auditors of the Company to hold office until the close of the next annual general meeting of the Company and to authorize the directors to fix the remuneration of the auditors.**

An intermediary may not vote, or give a proxy authorizing another person to vote, except in accordance with voting instructions received from the non-registered shareholder who beneficially owns the Common Shares.

EXERCISE OF DISCRETION BY PROXYHOLDERS

As of the date of this Circular, the management of the Company is not aware of any amendments to, or variations of, any of the matters identified in the mailed Notice of Meeting or of any other matters that may be brought before the Meeting.

However, the enclosed form of proxy also confers discretionary authority upon the proxyholder named therein to vote on any amendments to, or variations of, any of the matters identified in the mailed Notice of Meeting, in addition to any other matters which may properly be brought before the Meeting, or any adjournment thereof. If any such new matters come before the Meeting or any adjournment or adjournments thereof, the Chair of the Meeting or of the applicable adjourned meeting will determine whether or not such matter or matters is properly before the Meeting or applicable adjourned meeting and the Meeting or applicable adjourned meeting will proceed accordingly. In any such event, the management designees intend to vote in accordance with their judgment on such matters.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON AND MATERIAL TRANSACTIONS

No director or executive officer of the Company at any time since the beginning of the Company's last completed financial year, no proposed nominee for election as a director nor any associate or affiliate of any such director, executive officer or nominee, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, except as disclosed in this Circular.

No informed person (as such term is defined under applicable securities laws) of the Company, proposed nominee for election as a director of the Company or any associate or affiliate of any informed person or proposed director nominee has or had a material interest, direct or indirect, in any transaction since the beginning of the Company's last financial year or in any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries or affiliates.

VOTING SHARES AND PRINCIPAL HOLDERS OF VOTING SHARES

The Company is authorized to issue an unlimited number of Common Shares of which there are 5,611,213 issued and outstanding. Holders of Common Shares are entitled to one vote for each Common Share held. Holders of Common Shares of record at the close of business on October 12, 2023 (the “**Record Date**”) are entitled to receive notice of and to vote at the Meeting.

The Reko Family Corporation, which is owned or controlled by Shirley Reko and/or her children (one of whom is Diane Reko, the Chief Executive Officer and Board Chair of Reko), beneficially owns 3,144,672 Common Shares. Shirley Reko also beneficially owns an additional 183,282 Common Shares and her children, including the spouses of her children, collectively own 709,860 common shares, which together with the Common Shares referred to in the immediately preceding sentence represent approximately 71.96% of the issued and outstanding Common Shares. To the knowledge of the directors and officers of the Company, no other person beneficially owns, or exercises control or direction over, 10% or more of the outstanding Common Shares.

SHARE OWNERSHIP BY DIRECTORS, OFFICERS AND THE REKO FAMILY CORPORATION

All of Reko’s proposed directors and direct and indirect shareholders of The Reko Family Corporation own beneficially or exercise control or direction over 4,134,174 Common Shares or approximately 73.68% of the Common Shares.

MATTERS TO BE ACTED UPON AT THE MEETING

1. FINANCIAL STATEMENTS

The audited consolidated financial statements of Reko for the fiscal year ended July 31, 2023, and the Independent Auditor’s report thereon, are provided in the Company’s 2023 Annual Report, which was delivered either by mail or electronically to all registered shareholders and to non-registered shareholders who requested such documents. These financial statements will be presented to the shareholders at the Meeting and no vote is required with respect to this matter. The directors have approved these financial statements at their meeting of October 12, 2023. A copy of the audited consolidated financial statements can also be accessed electronically on the Company’s profile at www.sedarplus.ca and on Reko’s website at www.rekointl.com.

2. ELECTION OF DIRECTORS

The Company’s articles of incorporation currently provide that the board of directors of the Company (the “**Board**”) will consist of a minimum of three (3) and a maximum of ten (10) directors. While shareholder approval is required to fix the number of directors outside this range, the Board is authorized to fix the number of directors within this range. In the current year, the Board is recommending five (5) directors for election at the Meeting, consistent with the prior year. All four independent directors serve as both Audit Committee and Compensation Committee members. For the purposes of this Circular, a director is independent if he or she would be independent within the meaning of sections 1.4 and 1.5 of National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”) (hereinafter, “**Independent**”). The directors of the Company are elected each year at the annual general meeting of the Company and hold office until their successors are elected or appointed. **The management of the Company and the persons named in the mailed form of proxy intend to vote FOR the election of the nominees set out below.** Each director elected will hold office until the next annual general meeting of the Company unless he or she sooner ceases to hold office. Should such a vacancy occur between annual general meetings, the vacancy may be filled by the Board appointing a director to serve until the next annual general meeting.

SELECTION OF CANDIDATES IN THE EVENT OF A BOARD VACANCY

Reko believes in having a diverse group of directors with a broad range of skills and experience in order to provide superior leadership to the Company and enhance shareholder value.

Candidates for any Board openings are selected after soliciting applications from various directors’ organizations and appropriate contacts. Individuals are interviewed and evaluated for the Board vacancy - with each being scored on a grid with weighting assigned to relevant skills and experience.

The Chair of the Board presents the candidates for the position to the full Board and all directors are involved in making the final selection of the individual most qualified to fill the vacancy.

INDEPENDENCE

The five (5) nominees standing for election as directors of the Company at the Meeting are set forth below. Four (4) of the director nominees (80%) are Independent, while the remaining director nominee is a member of management (20%).

PROPOSED NOMINEES

The following table sets forth information with respect to each of the nominees for director, including a brief biography, date first elected or appointed as a director of the Company, Board and committee attendance, Board compensation in the last year, the number of Reko securities beneficially owned, controlled or directed, directly or indirectly by each nominee and the total value of the securities as at the Record Date, as well as other public company boards on which the nominee currently serves or has recently served. None of these nominees serve together on the boards of other public companies.

Unless a shareholder instructs otherwise, the person named in the form of proxy intends to vote the Common Shares represented thereby FOR the election of the nominees listed below as directors of the Company. If for any reason a nominee becomes unable to stand for election as a director of Reko or if management proposes any additional nominees for election as directors, the person named in the form of proxy intends to vote FOR any substitute or additional nominee proposed by management.

3. APPOINTMENT OF INDEPENDENT AUDITORS

Shareholders will be requested to approve the re-appointment of PricewaterhouseCoopers LLP as Reko’s Independent Auditors and to authorize the Board to fix the Independent Auditors’ remuneration. PricewaterhouseCoopers LLP have been Reko’s Independent Auditors since 2010.

OVERSIGHT AND DESCRIPTION OF DIRECTOR AND NEO COMPENSATION

DIRECTOR COMPENSATION

Director compensation is determined by the Board based on the recommendations of the Compensation Committee on an ad hoc basis. Director compensation was last modified in 2019.

The intended goals of the Company’s director compensation strategy are to ensure strong corporate governance and to promote and support director independence, while regularly evaluating and implementing best practices.

In order to achieve a balance of interest alignment and independence, compensation of directors has been both a combination of annual retainers, meeting fees, travel expenses associated with attending meetings, and the grant of options.

The annual retainer amounts have been established to constitute a significant portion of the directors’ total compensation from the Company in order to promote independence and objectivity. The factors which have influenced the level of these retainers are as follows: (i) the relatively small size of the Company; (ii) the experience and knowledge of the directors; and (iii) the fact that perquisites and special entitlements have never been a part of the Company’s director compensation plan. Acknowledging the additional time demands of the Chair of the Audit Committee and the Lead Director as well as the Chair of the Compensation Committee, the retainer for this position is at a higher level than that of the other Board members.

The meeting amounts have been revised to reflect the efficiency gained from a smaller board, and from the ability to hold committee meetings in continuity on the same day. These amounts are also intended to appropriately compensate experienced directors for the time that they spend at the Company.

Options granted to non-executive directors have a five-year term but are exercisable immediately. Since the term of each director expires at each annual general meeting, the lack of vesting period on the options should reduce the risk of lost compensation, should a director or the Company determine that a director is no longer a good fit for the Board. The decision to grant options is currently based upon a desire to balance the independence of the Board with the desire to align their interests with those of shareholders. Option grants have generally been made in equal quantities to all directors and in conjunction with grants to management and employees. These grants to directors have intentionally not been based upon the operating performance of the Company as this could potentially impair objectivity and potentially compromise the goal setting process used for executive compensation.

The Board may award special remuneration to any director undertaking any special services on the Company’s behalf other than services ordinarily required by a director. From time to time, options may be granted to directors as indicated under the Stock Option Plan. Directors are also reimbursed for transportation and other expenses incurred for attendance at Board and committee meetings.

NEO COMPENSATION

NEO compensation is determined by the Board based on the recommendations of the Compensation Committee on an ad hoc basis, generally tied to changes in market conditions. The Compensation Committee considers the skill, ability and experience of each individual NEO and has relied in the past on third party research; analysis of compensation surveys; first-hand knowledge of compensation levels and practices in the automotive industry; and interviews with management. The Compensation Committee has concluded, after review of industry and Company related criteria that Reko’s NEOs have performed acceptably with due consideration to the current economic environment.

The Company’s compensation strategy is designed to accomplish the following objectives:

- Align compensation with the overall Company business strategy and business unit goals;
- Reward executive team members for their contribution to the overall success of the Company and for achievement of planned business and financial objectives in their own area of responsibility;
- Attract and retain executive talent able to bring superior management skills to the Company;
- Implement compensation programs that are cost efficient;
- Incentivize executives to align their long-term interests with the investment objectives of the Company’s shareholders; and,
- Avoid and discourage short-term behaviour that is not in the best interests of shareholders.

The Company’s objective is to be a profitable; highly integrated, technology driven engineering and manufacturing firm providing creative, quality engineered solutions for the automotive, transportation and power generation. Meeting these objectives has required, and will continue to require, attracting a team of executives who have expertise in manufacturing, innovation, strategy, legal and financial disciplines. The Company has developed a compensation package to attract such executives that includes cash compensation and benefits as well as participation in the profitability of the Company both through direct profit participation and participation in the increased value of the enterprise reflected in its stock price. As the Company’s profits increase, it is anticipated that an executive’s compensation will increase, providing an alignment of shareholder-owner interests and management interests as value is created for both. If profits decrease, an executive’s overall compensation will generally decrease to base levels.

ELEMENTS OF COMPENSATION

The key elements of the Company’s compensation arrangements for its NEOs include:

- 1. Base salary;
- 2. Bonus awards; and
- 3. Equity participation.

NEOs are also entitled to standard benefits and perquisites. Base salary and bonuses are governed by employment contracts and formalized bonus plans, while equity participation is negotiated and reviewed more frequently. There are various factors considered when negotiating the compensation arrangements of the Company’s NEOs, which are discussed in detail below. Decisions under one compensation element do not impact the other compensation elements.

BASE SALARY

The Company provides a base salary so that NEOs have a regular defined and certain income. Competitive base salaries are important in attracting and retaining executives. Base salaries for fiscal 2023, have been established to reflect: (i) individual performance and achievement; (ii) the increased responsibilities characterized by a public company; (iii) compensation levels which such individuals could attract in the senior executive or professional market for their services; and, (iv) levels that are appropriately higher than those earned by their direct reports. For the fiscal year ended July 31, 2023, Ms. Reko’s base salary was \$231,750, Mr. Gobel’s base salary was \$185,400, Ms. Longo’s base salary was \$200,850 at the date she ceased being the Chief Financial Officer of the Company, Mr. Yzerman’s base salary was \$185,400 and Ms. Marks’ base salary was \$225,000. Base salaries of our other employees are set out in the employee’s employment contract or letter of employment.

BONUS

A portion of the cash compensation for NEOs is in the form of direct profit participation, based on meeting certain financial and strategic metrics. The Company does not publicly disclose the specific targets on the basis that it believes a reasonable person would consider that disclosing such information would seriously prejudice the Company’s interests pursuant to the exemption set out in Form 51-102F6V, Item 2.6(4). Similar approaches to direct profit participation are present at other levels of the organization in addition to the executive level.

For NEOs with employment contracts, the negotiated percentages do not fluctuate, although the amount of the bonus will fluctuate in relation to the underlying metrics. For more details with respect to the NEOs’ bonuses, please see section “Employment, Consulting and Management Agreements – Material Provisions” above.

For the year ended July 31, 2023, Ms. Reko, Mr. Gobel and Mr. Yzerman were paid bonuses.

The Company does not currently have a policy on recovery of bonus awards in the event of a restatement of earnings or an adjustment to earnings.

All bonus amounts are calculated and listed (by employee) and then are approved by the Compensation Committee of the Board prior to disbursement.

EQUITY PARTICIPATION

Another component of the NEOs’ compensation is direct or indirect equity participation by NEOs. The Compensation Committee believes that NEOs should be motivated to impact the Company’s stock price, to the benefit of the shareholders. While driving profitability has been their primary focus to achieve this goal, NEOs are encouraged, but not required, to own Reko shares directly or indirectly. Ms. Reko and Mr. Gobel own shares of the Company directly, while Ms. Longo, Mr. Yzerman and Ms. Marks do not.

The Compensation Committee believes that incentive compensation in the form of stock option grants could be beneficial to attract and retain both senior executives and talent at other levels. The Company’s option plan thus allows grants to employees at all levels of the organization and takes into consideration previous grants when considering awarding new grants. In fiscal 2023, the Company granted an additional 50,000 options to employees.

Option awards are discretionary, as approved by the Compensation Committee and the Board. The Chief Executive Officer and Chair of the Board have in the past and, in the future, may request that options be granted for directors, senior executives, or other employees. The Compensation Committee and the Board may consider a variety of factors in exercising discretion, including the compensation philosophy and practices of the Company as described in this Circular; individual or collective management performance; previous grants of options; contributions to the Company’s success; relative position; years of service; and general compensation trends.

The Stock Option Plan is intended to promote the interests of the Company and its shareholders by making provision for stock options as an additional incentive to attract, retain and motivate full-time officers, key employees and directors who will make important contributions to the success of the Company. The Compensation Committee believes that incentive compensation in the form of stock option grants is, and has been, beneficial and necessary to attract and retain directors, senior executives and managerial talents at other levels.

PERQUISITES AND PERSONAL BENEFITS

The primary purpose of providing benefits and limited perquisites to the NEOs is to attract and retain the talent to manage the Company. Perquisites and personal benefits for NEOs are consistent with established corporate wide benefits available to all employees, save and except for car allowances (which do not exceed \$8,000 a year) and re-imbursement of gasoline purchases for automobiles used for business purposes (approximately \$4,000 a year) available to certain members of management, which includes each of the NEOs.

PENSION DISCLOSURE

The Company does not maintain a defined benefit pension plan for any of its employees, including the NEOs. The Company does offer an individual based Group RRSP policy in which the NEOs participate. The policy was revised partly through the fiscal year ended July 31, 2021.

All full-time permanent employees with one or more year of service are eligible to participate in the policy which provides a Company’s contribution of up to a maximum of 2.5% of base salary. The Company’s contributions under the policy will match 100% of the employee’s contributions.

The Company’s contribution is provided by the Company to the provider of the policy for application to the employee’s account. Once in the employee’s account, the investment decision and the decision of when to redeem the funds are both at the sole discretion of the employee. The Company does not have access to information on the accumulated value for any NEO. Accordingly, the Company has only disclosed the contributions made to the policy by the Company on behalf of the NEOs in the “Value of All Other Compensation” column in the *Table of Compensation Excluding Compensation Securities* on page 30 above.

CONTINUING EDUCATION

The Company will pay for continuing education for directors if they find appropriate programs related to their directorship. As part of continuing education, executive management makes regular presentations to the Board on the main areas of the Company's business. In addition, directors are given the opportunity for extensive tours of the facilities of the Company and its subsidiaries which include presentations on products being developed at those facilities.

4. **Ethical Business Conduct** - Describe what steps, if any, the board takes to encourage and promote a culture of ethical business conduct.

In January 2009, the Company approved the Code of Conduct in light of its continued commitment to honesty and integrity in the conduct of its business. The Code of Conduct applies to all its employees. In addition, all senior executives, divisional managers, sales representatives, program managers and members of the finance, human resources, purchasing and information technology departments must report annually their compliance with the Code of Conduct for the previous year and provide written confirmation of their intention of compliance for the upcoming year.

The Board monitors compliance with its Code of Ethics by reviewing management reports and reports to the whistleblower line. To the knowledge of the Board, there have been no departures from the Code of Ethics. On an annual basis, the Company circulates a proposed strategic plan and budgets, which are discussed and, if appropriate, adopted by the Board. These form the basis of the corporate objectives which the Chief Executive Officer is responsible for meeting. The Compensation Committee assesses management's performance and reviews its compensation, as discussed under item 7 below.

7. **Other Board Committees** - If the Board has standing committees other than the audit, compensation and nominating committees identify the committees and describe their function.

The Board has a Compensation Committee.

The members of the Compensation Committee for the fiscal year ended July 31, 2023 were Andrew Szonyi, John Sartz, Maria Thompson, and Roy Verstraete (chair as of October 13, 2022), all of whom are Independent.

The Board believes that the members of the Compensation Committee are qualified to fulfill the required duties of this committee due to their experience and direct involvement in executive compensation decisions. The members of the Compensation Committee have an understanding of executive compensation, including the underlying policies and principles and relevant market practices required for decisions about executive compensation. This knowledge is as a result of the experience of the Compensation Committee members as senior executives, including in many cases, having ultimate responsibility for human resources and compensation. The current Compensation Committee members have experience in top leadership roles (all four are currently or were previously Presidents/Chief Executive Officers in other companies), a mix of functional experience and competency, and tenures as directors of public companies. For Mr. Sartz and Mr. Szonyi, this understanding has also been garnered through their nine years of service on the Compensation Committee while Ms. Thompson and Mr. Verstraete have served on committees requiring similar skills and knowledge in previous positions during their careers.

The Compensation Committee oversees the overall corporate policy with respect to compensation and benefits and makes recommendations to the Board on, among other things, the compensation of senior management and the directors. In assessing compensation issues, the Compensation Committee reviews and examines in detail the performance of senior management.

The Compensation Committee periodically considers the compensation of directors and senior management, and the Compensation Committee brings the resulting suggestions to the Board for its consideration. The Board and the Compensation Committee have considered appropriate compensation levels and mechanisms in view of, inter alia, recent economic developments.

8. **Assessments** – Disclose what steps, if any, that the board takes to satisfy itself that the board, its committees, and its individual directors are performing effectively.

The Board conducted their first assessment of members of the Board during fiscal 2011. The assessment was conducted via confidential surveys with Board members and key management personnel, with the results aggregated and any comments disclosed. It was determined based on criteria established by reviewing similar organizations and recommendations of directors' organization that the board and committees are performing effectively. These steps were taken by the Board to satisfy itself that the Board, its committees and individual directors were performing effectively.
